WHERE NATURE  
MEETS ADVENTURE

With an incline of 56 degree, total length of 1.8 km and vertical drop of 600 meters, it is the tallest, the longest and the steepest zipline in the whole world.

Zipflyer Nepal has an exciting drop coupled with a smooth sailing ride above the river and forest below and alongside the mountain .

-  Riders must weigh between 35 and 120 Kgs. Ages 13 and above recommended.

25 mins only  
from **LAKESIDE**
