

**LOOK, BREATHE  
JUMP, REPEAT!**

## WHERE NATURE MEETS ADVENTURE

With an incline of 56 degrees, total length of 1.8 km and vertical drop of 600 meters, it is the tallest, the longest and the steepest zipline in the whole world.

Zipflyer Nepal has an exciting drop coupled with a smooth sailing ride above the river and forest below and alongside the mountain ranges of pokhara.

## SUPER SAVER COMBO

*Rider must weigh in between  
35 and 120 kgs.*

*Ages 13 and up recommended.*

## Nepal's first and only Tower Bungee

*25 mins only  
from LAKESIDE*

The jump site offers a spellbinding view of the himalayas, hills and rivers that will take your breath away.

Take a deep breath as you soak in the magnificent views and let the adrenaline flow as you plunge through the air
